# Short History of SANERC

## Founder of SANERC Semahat Arsel

“My biggest wish is for nurses, who I believe whole hold a significant place in the field of health care, **to provide our people with the care they deserve at the highest level.**”

## Short History of SANERC

- Semahat Arsel Nursing Education and Research Center (SANERC) was established in the American Hospital on December 27, 1992.
- It is **the first and only training** and research center established for health professionals in Türkiye.

## ANCC ACCREDITATION

- On 25 **November 2010**, it was accredited internationally by the **American Nurses Credentialing Center (ANCC)** in post-graduate nursing education.
- SANERC was re-accredited for four years on November 28, 2022, until **March 31, 2027**.
- SANERC's quality of nursing education after graduation has been approved.

For more information on ANCC, please visit

<https://www.nursingworld.org/ancc/>

## Our Vision

- To be a center that supports nurses in our country to be efficient and competent healthcare professionals willing to make a difference

## Our Mission

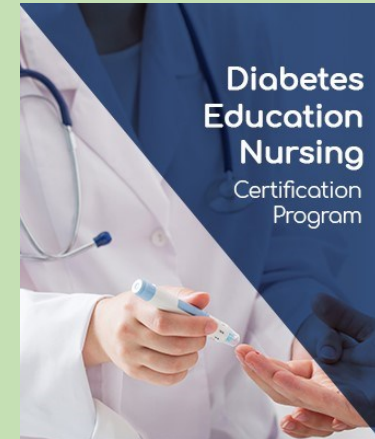

- To contribute to the advancement of the nursing profession in Türkiye and the improvement of health in Turkish society
- To develop creative and relevant continuing education programs for registered nurses and to apply them in the most suitable and purposeful ways
- To conduct nursing research that is ethical and evidence-based to improve clinical practice
- To lead in the nursing field at both the national and international levels

# SANERC LONG TERM COURSES

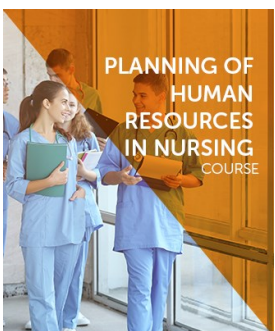

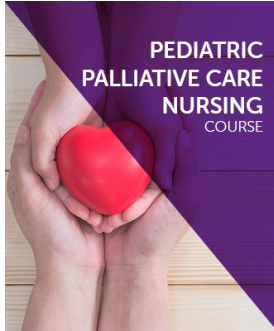

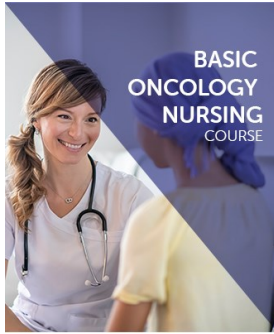

*To date, over 15,249 nurses have received education through SANERC.*

## Ministry of Health-approved Certified Educational Program

# SHORT TERM COURSES
