27 th March 2025 on-line

hosted by Slovenia

Paediatric nursing in Slovakia

PhDr. Silvia Velková, PhD.

Slovakia

PAEDIATRIC NURSING IN SLOVAKIA

- Education on University since 1992 – „nurse“;
- Still exist schooling on secondary medical school – „certified nurse“;
- Education is compatible with EU standards – 4600 h;
- After basic nursing education – specializations: Nursing care in paediatrics, Intensive nursing care in neonatology, Intensive nursing care in paediatrics;
- Every nurse must to be registered in register of working nurses in Slovakia – register is administered by Slovak Chamber of Nurses and Midwives;
- Not every nurse must be registered in Slovak Chamber of Nurses and Midwives.
