

**PNAE**  
Paediatric Nursing Associations of Europe

# Paediatric Nursing Associations of Europe

46<sup>th</sup> meeting

6<sup>th</sup> -7<sup>th</sup> November 2025 in person

hosted by Luxemburg

**Partnership with EAPS**

**Immacolata Dall'Oglio (Co-ordinator)**

**PNAE**  
Paediatric Nursing Associations of Europe

**A GOOD REPRESENTATION OF PNAE !**

**We thank Orsola Gawronski (PNAE member from Italy) and Filipa Barbosa (Portugal- hosting country of EAPS)**

**To be part of EAPS Scientific Committee and for the great contribution in developing the Scientific Program of the Congress**

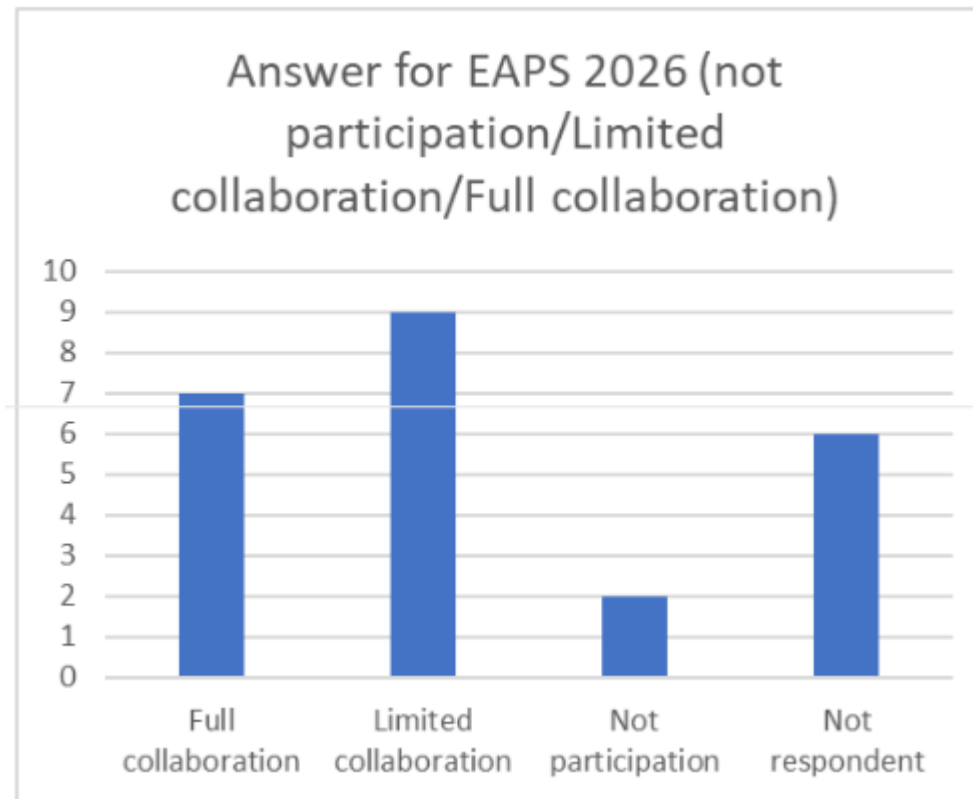

# Update about collaboration for EAPS Congress 2025 and 2026

**PNAE**  
Paediatric Nursing Associations of Europe

## Results from the Survey on PNAE collaboration for EAPS 2026 (april 2025)

**PNAE**  
Paediatric Nursing Associations of Europe

## Volunteers for EAPS 2026 Scientific Committee

**REMIND: Update about EAPS 2026 Survey and call for Scientific Committee members (email to PNAE members 9<sup>th</sup> and 19<sup>th</sup> MAY)**

Dear all PNAE members, I gently remind to answer urgently to our request to propose a name for the EAPS 2026 Scientific Committee from your country

About the criteria for PNAE representative, please see below (they are a little bit simpler now).

**For the PNAE representative, we agreed on the following criteria:**

- 1) An active member of PNAE who has attended at least three meetings over three years and has demonstrated activity on behalf of PNAE.
- 2) Evidence of experience in PNAE congresses, including scientific reviewing, hosting a PNAE congress, and/or chairing a session at a PNAE congress.
- 3) Evidence of strong communication skills and inclusivity in previous conference planning and presentations.

In the event that no PNAE members are available (e.g., if there is no representative from the home country), a senior nurse colleague, who is not officially a PNAE member, could be invited as the representative delegate of PNAE to the EAPS Congress Scientific Committee.

## Volunteers for EAPS 2026 Scientific Committee

**TWO answers received:**

**Katarina Patriksson (SWEDEN) Thanks!**

**Jane Coad (UK) Thanks!**

**Moreover**

**Orsola Gawronski (ITALY) confirmed her availability Thanks!**

**AND the PNAE member from the hosting country**

**PNAE**  
Paediatric Nursing Associations of Europe

**ANY  
CONSIDERATIONS???**

## Consideration about the collaboration with EAPS, after the experience of EAPS Congress in Lisbon

- 1) It is an important collaboration for PNAE aimed to wider the opportunity of high scientific level networking and visibility
- 2) An important opportunity for paediatric nursing
- 3) It is to be awareness about the nature of EAPS organization (private company at international level)
- 4) It will be necessary to maintain a good balance with other European Scientific Societies whom PNAE collaborates or has contacts
- 5) The previous EAPS Conference (organized by - European Academy of Paediatrics – EAP; European Society of Paediatric Research – ESPR and European Society of Paediatric and Neonatal Intensive Care – ESPNIC) has been renamed
- 6) **The European Academy of Paediatrics "EAPS" conference has been renamed CEPAS** and will be held in Lyon, 28-31 October, 2026; <https://www.cepas.org/>

**Could it be opportune for PNAE to obtain a legal recognition of the name and logo?**

# What is KENES GROUP ?

**PNAE**  
Paediatric Nursing Associations of Europe

## WHY KENES

+ REQUEST A PROPOSAL

## EMPOWERING KNOWLEDGE

Over six decades of market expertise make Kenes Group one of the world's leading Professional Conference Organisers – PCO, hosting approximately 220,000 participants per year. We have delivered more than 4,300 conferences in over 100 cities around the world.

Our mission is to **empower knowledge**, further quality learning, create cross-disciplinary collaborations through professional events, communities, and educational programmes.

<https://kenes-group.com/why-kenes/>

**PNAE**  
Paediatric Nursing Associations of Europe

### **The effort for PNAE related EAPS Congress dissemination:**

- n. 4 News for PNAE website
- n. 5 email to PNAE members
- n. 5 communication through pnae email address to 600 colleagues across Europe

## Actions:

- 1) It was not possible to sign any agreement with Kenes for EAPS Congress because PNAE has not **a formal registration, legal status, or legal representative**
- 2) Nevertheless it could be possible to continue the collaboration
- 3) It is necessary to maintain a good balance among:
  - PNAE Congress (our main aim) → **Organisation level**
  - EAPS Congress (our secondary aim) → **Collaboration level**

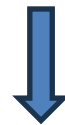

**PNAE**  
Paediatric Nursing Associations of Europe

## How to be member of EAPS 2026 Scientific Committee as PNAE delegates

Also important:

- KdW emphasized the importance of maintaining a strong connection between the PNAE Congress and the EAPS Congress, suggesting that the PNAE delegates in the scientific EAPS committee should be in contact with the French organizers of our own PNAE congress 2026. IDO agreed, stressing the need for PNAE delegates to represent the organization and not just participate as individuals.

**This will be the same  
in the future**

**Strict connection with PNAE Leadership Team**  
**Wide vision to be representative of PNAE → Paediatric nursing  
across Europe**

**Timely Communication** with PNAE Leadership Team about the orientation of the program,  
the choice of the speakers, the difficulties and the solution!

**PNAE**  
Paediatric Nursing Associations of Europe

## Organisation about next years
