3. Key Principles of Collaboration

3.1. Collaboration

3.5. Sharing Information and Mutual Support

The Parties agree to actively exchange relevant information, support each other's initiatives, and promote visibility of their collaboration through various channels. This includes but is not limited to communication efforts, awareness-raising activities, and content sharing.

(1) Both Parties agree to link each other's websites, share official descriptions and logo and refer to each other.

**Support and
Collaboration**
